СВИДЕТЕЛЬСТВО О ПРОВЕДЕНОМ АНАЛИЗЕ

CERTIFICATE OF ANALYSIS

ITEM	RESULT
Product	<b>VITAMIN-E</b>
Batch No.	ESVE-0119
Mfg. Date	FEB - 2018
Expiry Date	JAN - 2020
Appearance	Slightly Yellow to Redish, Clear , Viscous Liquid
Identification	Positive Reaction
Infrared Spectrum	Standard Requirement
Assay	99.8%
Density (20°C)	0.975 g/ml
Sulphate Ashes	<.05%
Heavy Metals	<6ppm
Lead	<0.03ppm
Arsenic	<1ppm
<b>Microbiological tests</b>	
Total Aerobic count	<1000IU
Yeast and Mould	<100cfu/g
E.Coli	Negative

**NOTE :** The product is fortified with surfactants & emulsifiers, hence is soluble in polar solvents for best used in water based formulations like creams , shampoos, gels and water soluble formulations and applications  
Due to presence of surfactants and emulsifiers the product may not be checked by conventional laboratory test procedures
